# Message from Chairman

A Nursing Career starts with an insight of you and your role as a healthcare professional. It gives you a prestigious, secure and well paid career. Nonetheless, it is equally stressful and not everyone can sustain that transition. The vast array of knowledge, skill and dedication make you a good nurse. A degree is valued when it connects you with the skill, knowledge and understanding the humanity. Therefore, Universal Nursing College take care of you and your career ahead!

The Nursing Profession is the Noblest of all professions and in immense demand globally, offering a highly rewarding career. Universal Nursing College has a vision to "achieve synergistic union of knowledge, skills and technology, to be a globally responsive and social conscious institute, committed to grooming highly skilled, innovative professionals by applying latest research evaluations, expert guiding force, hands-on training and optimum usage of resources."

Universal Nursing College (UNC), earlier known as Nursing Institute, recognized by Bangladesh Nursing and Midwifery council since December 2013.

In January, 2019 the nursing institute was upgraded to graduate Nursing College and affiliated by the Dhaka University and renamed as Universal Nursing College.

Universal Nursing College (UNC) aims are to train dedicated and expert nurses, capable of contributing towards the development of emerging health care systems in public and private health care organizations, as well as community services. Our Bachelor of Science in Nursing, Post Basic of Nursing & Diploma in Nursing Science & Midwifery provide highly achieving undergraduate students the opportunity to extend themselves intellectually and clinically, thereby rendering quality care to the general public through our hospital and community services. Our well infrastructure significantly imparts high quality professional education to young and aspiring candidates who have dedicated themselves to be efficient nurses and also meet the acute shortage of qualified and skilled nursing manpower, our country is currently facing.

I welcome all the new students and wish them success through their academic journey out of our college as successful nursing professional.

We embrace our slogan " Smile for All" and work to make it happen. May you nurture in our arena being capable of coloring people's smile.

**Priti Chakraborty**

Chairman, Governing Body  
Universal Nursing College

# Message from Advisor

Education is the soul of society as it passes from one generation to another and it can be acquired through simple and humble attitude with great respect to teachers. Nothing more simple than greatness; indeed, to be simple is great.

Universal Nursing College (UNC) aims to grow a system of nursing education that fits with ever-changing educational patterns of the country to meet the needs of the society and to fit into a wide range of opportunities in Nursing Service and Nursing Education available globally for the nurses.

The arrival of new students to the Universal nursing College definitely not only enhances the value of the institutions, it equally pay back its substantial value to make your journey success. Nursing field is always challenging and skimpy with the new health professional emerging diseases, cases and uncertain demand of the patient.

I congratulate the UNC with the success and present the confidence that it emerges as a center of excellence Nursing Studies and alleviate the human suffering disease and debility. UNC will guide you throughout the academic phase, determining the ability baseline of each student and uplift you to the achievement. I am positive for the conscience of nursing and role of UNC will play pivotal role in making a good Nurse with alive humanity.

UNC provide an education program that enhances student's knowledge, their skills and attitude to qualify as competent nursing professionals in today's highly competitive and health conscious society. I believe in value based education and wish to serve society through our assets our students.

Best wishes for all your future endeavors.

**Dr. A K M Jafar Ullah**

Representative of Benefactor,UNC  
Advisor, UMCH

## Message from Founder Representative

It is my great pleasure for me to let you know about the Universal Nursing College which is situated at the opposite site of North City Corporation, Mohakhali, Dhaka. It is a centre point of Dhaka City. The nursing course is very important faculty in the field of medical sciences which ensures together health and well being of the people.

I am glad to be involved with the nursing College since its beginning. I would like to express my modest gratitude with cordial thank from the core of my heart and best wishes to all.

Universal Nursing College brings together a state-of-the-art infrastructure, modern technology and very dedicated faculties to provide teaching in a compassionate environment. A number of talented, skilled and dedicated medical faculties and other staffs are working and putting their highest effort to deliver high quality of medical education to meet their greatest potential both academically and behaviorally, along with being fully prepared for success in student life and in their career.

One of our major goals is to train the next generation leaders for nursing field. As a Founder Representative of UNC, I am trying my best to evolve this college into the one that will set a benchmark for itself and also enrich the quality of health sciences in this country.

The collaboration with the staff, students, families, and community members at UNC creates a culture that promotes the philosophy of life-long learning. As a Vice Chairman of UMCH, I am excited to support your children in preparing our students at UNC for success.

**Eng. Dilip Kumar Paul**  
Founder Representative, UNC  
Vice-Chairman, UMCH

## Message from Donor Representative

Universal Nursing College (UNC) earlier known as Universal Nursing Institute recognized by Bangladesh Nursing and Midwifery council since December 2013.

In January 2019 the nursing institute was upgraded to graduate Nursing College and affiliated by the Dhaka University and renamed as Universal Nursing College.

Our educational strategy is to create a conducive learning environment to guide students to acquire adequate knowledge, skill and temperament to practice nursing as a member of healthcare team of Bangladesh. We are dedicated to develop next generation as nursing leaders who are highly effective patient care providers, innovative pioneers in nursing research and respected leaders in their communities.

Universal Nursing College (UNC) has a team of highly qualified, dedicated, talented and experienced teachers with excellent learning environment. It is one of the modern academic college which is approved by Bangladesh Government Ministry of Health & family Welfare, affiliated by the University of Dhaka and Bangladesh Nursing & Midwifery Counsel Curriculum, Recognition of Course & Registration.

Now a days everyone is much concerned about their own health. But the ratio of nurses and patients is still far from sufficiency in this country of 170 million people. Our aim is to produce quality and dedicated for the service of the society so that the health education and services may become more practical & with human values. At the college, utmost care is being taken for the students providing with all necessary amenities and encouraging learning environment which is essential for their healthy & steady growth.

I do hope the prospective students will get all the learning facilities that are offered in our country through the universal Nursing College.

My best wishes remain with everyone associated to Universal Nursing College.

Donor Representative, UNC  
Managing Director, UMCH

# Message from Principal

Universal Nursing College (UNC) is one of the finest private Nursing College in the Dhaka City. As the Founder Principal of this college, it is really a matter of great satisfaction for me to be one of the pioneers of this noble voyage.

I am really delighted to highlight that the Universal Nursing College (UNC) is a unique Nursing College, established in the year 2013, is affiliated by University of Dhaka.

It is increasingly becoming popular because of its rapid growth and academic advancement. It has the motto of "To provide quality Nursing Care to the individual, patient and community", all over the world.

Society believes, the progress of a country depends on the health of the citizens and education of Nurses contributes a lot to promote and maintain the health of the nation as a whole. We, the faculty of nursing take up the responsibility in promoting nursing education based on scientific principles, relating to theory and practice, in order to produce skilled, highly competent and qualified nurses, to face the challenges. We promote all round development of the students with special emphasis on intellectual, cultural and spiritual aspects and extracurricular activities to prepare them as effective change agents in the dynamic society.

The responsiveness of our staff, the excellent infrastructural facilities and hands on practice clinical training prepare our nursing students to meet all kinds of challenges of today and tomorrow. I'd like to take this opportunity to thank the very large number of faculty and management who devote their time and professional expertise towards this cause.

I welcome all the aspirants to join their hands with us for their academic journey to turn out as a successful nursing professional.

May Allah bless us All.

**Mahenoor Begum**

Principal

Universal Nursing College

# Message from Vice Principal

This College is one of the leading nursing college of the country that has achieved good academic excellence in a short period of one decade since its establishment. We have a beautiful architectural campus located at the north part of Dhaka city which having fascinating, peaceful environment. This college has various and latest facilities to impart nursing education.

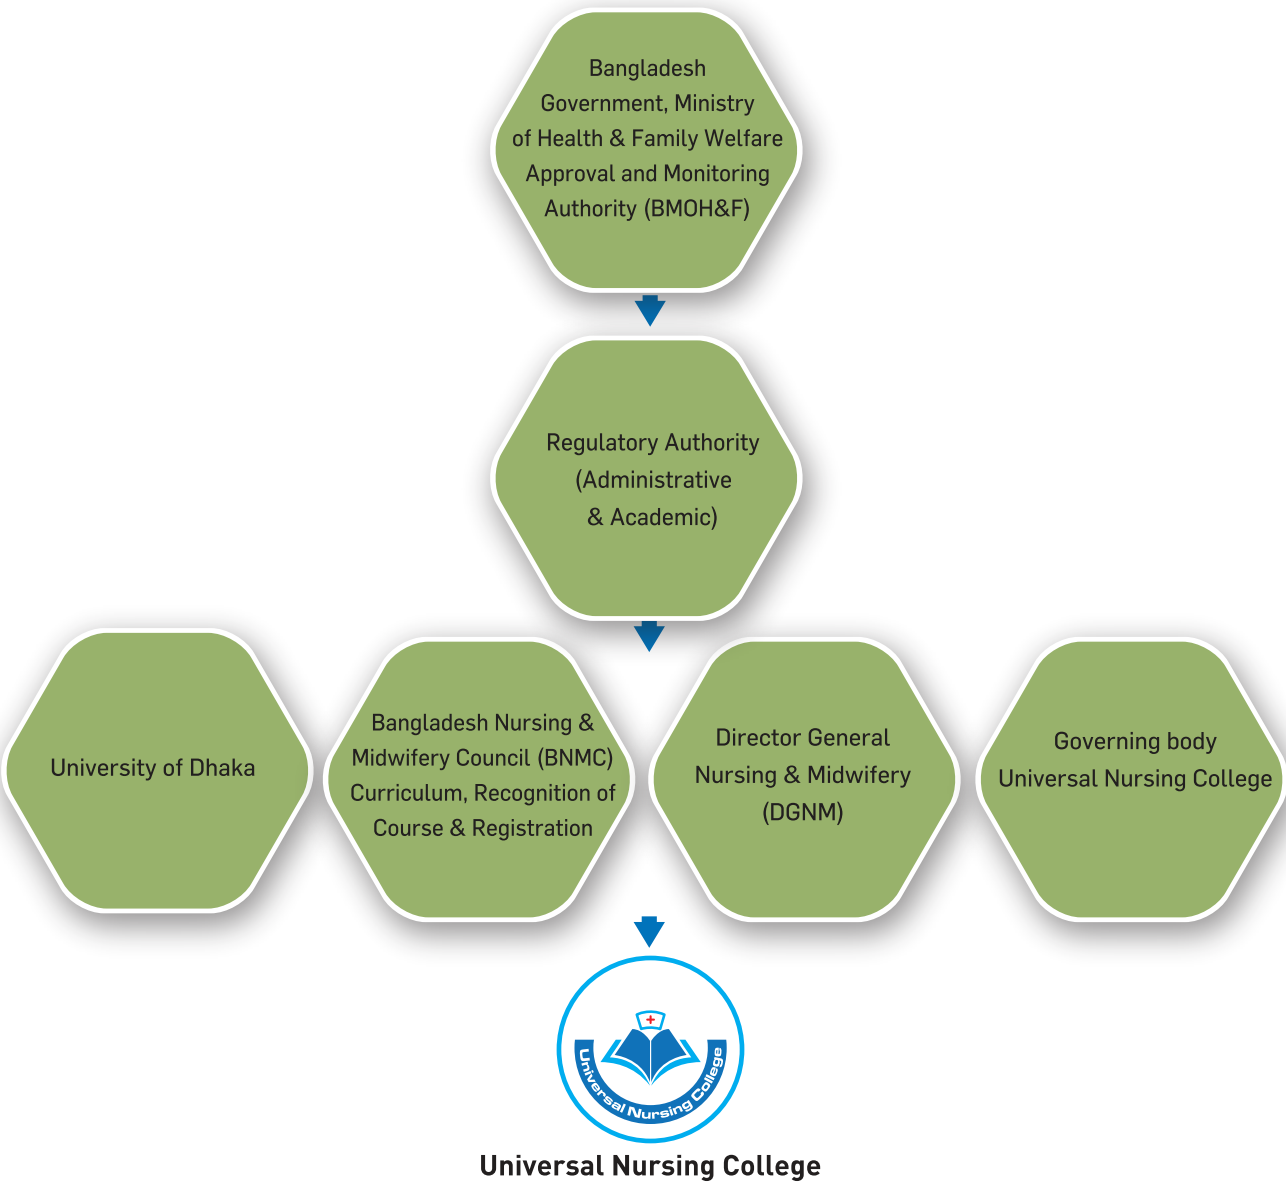

We have highly qualified faculty members having vast teaching experience and strong academic background. Students of this college are trained on the pattern of the latest concept in nursing education with due emphasis on the highest standard of nursing professionalism, empathy, human behavior, nursing and social ethics. In addition to the undergraduate programs of Nursing, the college also has a plan for post graduate programs in various disciplines. The academic program is not the only focal point; various co-curricular activities are planned and designed to give maximum opportunities to the admitted students as soon as they join the college.
